- Trusted, compassionate support

In-Home Care

Personalized, one-on-one support that helps individuals live safely and independently in familiar surroundings.

- Person-centered & individualized
- Focused on choice & quality of life
- Delivered with dignity & cultural respect

About Us

Locally owned and Wisconsin state-licensed, United Care Madison provides non-medical home care and in-home support for adults and individuals with developmental disabilities.

Founded on compassion, respect, and understanding, we follow Wisconsin DHS standards and Medicaid Waiver requirements to ensure ethical, high-quality care.

Home Care Guidance

We help families understand non-medical home care, Medicaid Waiver services, and person-centered care planning, ensuring the right care at the right time.

Why We're Different

United Care Madison stands apart because of our deep commitment to people—not just services.

- ✓ Wisconsin state-licensed provider
- ✓ Medicaid Waiver-aligned services
- ✓ Locally owned & community focused
- ✓ Trained, compassionate caregivers
- ✓ Person-centered, family-oriented care
- ✓ Ethical & culturally respectful support

Who We Serve

- Seniors
- Adults with disabilities
- Children with special needs
- Post-medical recovery
- Veterans

Serving individuals 18+ and Wisconsin Medicaid Waiver participants.
